

Min Schatz ist ein Jäger (Music Recording, Translation)

Poet: Alwine Wuthenow

English Translation from Plattdeutsch: Prof. Hans-Wilhelm Kelling

Composer: Luise Greger

My love is a hunter, a hunter he must be
The forest belongs to the hunter, the hunter belongs to me...

My love carries a rifle, and his jacket is green
A feather in his hat, this endears him to me.

All I have is a spinning wheel and a plain pair of shoes
My love has a cottage and a fine garden, too

He has barrels of flour and flocks of geese
But his sweetest treasure is the free life he leads

So let me dance and sing for a while
My love is a hunter, so happy am I!
