

Weihnachtslied (Music Recording, Translation)

Poet: H. Rosing

English Translation: Justin Lamb

Composer: Luise Greger

O Jesus Child, I worship Thee,
Such good Thou hast done for us all!
Thou hast come to us poor men,
A helpless child in a mother's arms!
Oh, Jesus Child, I worship Thee,
Such good Thou hast done for us all!

O Jesus Boy, how I love Thee
For Thou camest to earth for me.
Thy godly eye laughs and shines
To us in the dark winter night.
Oh Jesus Boy, how I love Thee,
For Thou camest to earth for me.

Lord Jesus Christ, make pure my heart,
From earthly needs and earthly pain;
Let us on this holy night
Thank Thee for the heavenly splendor
Promised to us through Thy birth!
Lord Jesus Christ, we thank Thee,
We thank Thee.
