

# Bei dir ist es traut (Music Recording, Translation)

**Lied: Alma Schindler Mahler**

**Poem: Rainer Maria Rilke**

**English Translation: Andrea Atkinson**

All is peaceful wherever you are, faint watches beat as in olden days;  
They tell me sweet things, but not too loudly.  
Somewhere a gate opens; outside into the falling flowers  
The evening listens at the window panes.  
Let us stay silent; no one knows we are here.
