

# Vier Lieder, op20 - Waldseligkeit (Music Recording, Translation)

**Lied: Johanna Müller-Hermann**

**Poem: Richard Dehmel**

**English Translation: Kurt Reber**

The woods begin to rustle,  
Night approaches the trees,  
As if blissfully listening,  
They brush each other softly.

There, under the branches,  
I am completely alone,  
I am completely myself,  
Completely yours, completely yours!
