

Instructions for Distance Reviewers

Thank you for participating in this review. Your feedback will provide valuable insight that will help make instruction and assessment better for other teachers and education majors.

Please be aware that we are testing the assignment, not you. So don't feel bad or flustered if you don't understand something - just let us know! It is expected that your review of this material will take about **30 minutes**.

Please complete the following steps:

1. **(About 5 minutes)** Read through **Artifact A: Badge Requirements & Submission Form** carefully. Use [Google Docs comment feature](#) to mark and comment on any instructions that are confusing to you. This may include words you don't understand, wording that is unclear, or anything that makes it difficult to understand what you are to do to complete the badge. Try to explain the sources of your confusion as clearly as you can in the comment.
2. **(About 20 minutes)** In **Artifact B: Badge Guide**, do the following:
 - a. Skim the Table of Contents and, again using the [Google Docs comment feature](#) highlight the headings that seem most relevant, valuable, or interesting to you as an educator. (For these highlights, simply type "!" in the comment box.)
 - b. Begin reading through the sections of the guide that you identified as most interesting in step a. If you encounter a video, enter the provided URL into a browser on your computer or phone (or simply click on the link) and watch it. As you read/watch, comment on things that are confusing or interesting.
3. **(About 5 minutes)** When about 5 minutes remain of the session, complete the Learner Review Survey. You can access the survey at <https://goo.gl/7YSba8> and it can be completed on any device that can access the Internet.
4. **Email** enoch.hunsaker@gmail.com to let me know you are done with the review. Also, **include a mailing address** so I can send you the BYU gift card.
