Elisabeth von Braunschweig-Calenberg

Description

This work is part of the Sophie Digital Library, an open-access, full-text-searchable source of literature written by German-speaking women from medieval times through the early 20th century. The collection covers a broad spectrum of genres and is designed to showcase literary works that have been neglected for too long. These works are made available both in facsimiles of their original format, wherever possible, as well as in a PDF transcription that promotes ease of reading and is amenable to keyword searching.
