Help the world’s poor to become more economically self-reliant by using these handbooks to teach basic microenterprise principles. The Where There Are No Jobs handbooks are being used in more than a dozen countries, and have helped nearly 1,000 international students experience business success.

**WHERE THERE ARE NO JOBS**

We began using the Spanish version of Where There Are No Jobs in 2005. Some of our 75 small business owners have already doubled or tripled their businesses.
