Submission Guidelines

The *Religious Educator* serves the needs and interests of those who study and teach the restored gospel of Jesus Christ on a regular basis. The distinct focuses are on teaching the gospel; publishing studies on scripture, doctrine, and Church history; and sharing outstanding devotional essays. The contributions to each issue are carefully reviewed and edited by experienced teachers, writers, and scholars. The beliefs of the respective authors are their own and do not necessarily reflect the views of the Religious Studies Center, Brigham Young University, or The Church of Jesus Christ of Latter-day Saints.

Complete author guidelines, including suitable topics, are provided at tre.byu.edu. All manuscripts should be submitted electronically to rsc@byu.edu. Hard-copy submissions are accepted but not encouraged. Send hard-copy submissions to the editorial office at the address listed below.

Manuscripts must be word processed in double-spaced format, including quotations. A minimum of embedded word-processing commands should be used. Authors should follow style conventions of the *Chicago Manual of Style*, 15th edition, and the *Style Guide for Publications of The Church of Jesus Christ of Latter-day Saints*, 3rd edition, as reflected in a recent issue of the *Religious Educator*.

Those manuscripts that meet all criteria and appear to fill current needs will be peer reviewed and will receive a friendly, but careful, review. Authors will then be notified of the decision about publication. This process generally takes four to six months, and publication will generally occur within a year after acceptance has been received.

If an article is accepted, authors will be notified and asked to provide photocopies of all source materials cited, arranged in order, numbered to coincide with endnotes, and highlighted to reflect the quotations or paraphrases. Photocopies of source material must include title page and source page with the quotations used highlighted.
