The following books have recently appeared in paperback, either for the first time or after a long absence from the market place. All are recommended as decent reading.

Leverich, Kathleen. *Hilary and the Troublemakers.* Bullseye Books, 1992. ISBN 0-679-84716-2. $3.99. 138 pp. Grades 2-4. Hilary wants to be big enough to be included in her brother’s and sister’s lives, but she has a terrible time doing the right thing with giant owls showing up to steal her homework, sheep that won’t be counted, and other disasters.

Weiss, Ellen, and Mel Friedman. *The Pool Point.* Bullseye Books, 1993. ISBN 0-679-82272-0. $3.00. 166 pp. Grades 4-6. Crazy scientist parents aged sixteen are the last straw, and Marie figures that adoption is the only answer.
