NOTICE TO CONTRIBUTORS

Original manuscripts in English pertaining to the biological natural history of western North America and intended for publication in the *Great Basin Naturalist* should be directed to Brigham Young University, Stephen L. Wood, Editor, *Great Basin Naturalist*, Provo, Utah 84602.

*Manuscripts.* Two copies are required, typewritten, double spaced throughout on one side of the paper, with margins of at least one inch on all sides. Use a recent issue of this journal as a format, and the *Council of Biological Editors Style Manual, Third Edition* (AIBS, 1972) in preparing the manuscript. An abstract, about 3 percent as long as the text, but not exceeding 200 words, and written in accordance with Biological Abstract guidelines, should precede the introductory paragraph of each article. Authors may recommend one or two reviewers of their article.

*Illustrations and Tables.* All illustrations and tables should be made with a view toward having them appear within the limits of the printed page. Illustrations that form a part of an article should accompany the manuscript. Illustrations should be prepared for reduction by the printer to either a single-column (2⅞ inches) or double-column (5½ inches) width, with the length not exceeding 7½ inches.

*Costs Borne by Contributor.* Authors should be prepared to contribute $10 per printed page toward publication of their article (in addition to reprint costs). No reprints are furnished free of charge. A price list for reprints and an order form are sent with the proof.
