Pup is going to school and he is so filled with joy that he rises up and flies. At school no one believes his tale. He is ridiculed and called a liar. Sadly he goes home thinking he lost all of his happiness. Then Dad restores his happiness and more when Pup learns that both Mom and Dad can fly. Not all Dogs fly -- but some do!

Another winner by the author illustrator of *Where's My Teddy?* and *It's the Bear!* Jez Alborough's love of life comes through loud and clear -- or should I say light and joyful!
