A new book by an eminent Latter-day Saint psychologist guides the reader on a journey of self-improvement. *Eternal Values and Personal Growth* can help you grow spiritually, emotionally, and socially using gospel principles and the results of solid research. Explanations and exercises in each chapter provide tools to make positive and lasting progress toward eternal potentials.

Hundreds of books on self-improvement have been published, but some of the ideas in these books conflict with Church teachings and might even do more harm than good spiritually. This book, on the other hand, has been organized and written for Latter-day Saints by Dr. Allen E. Bergin, recently retired BYU Professor of Psychology. Many other highly regarded LDS professors and counselors have contributed materials to this book. To order, visit the BYU Studies web site at <http://byustudies.byu.edu>.

TO OUR READERS

BYU Studies is dedicated to the correlation of revealed and discovered truth and to the conviction that the spiritual and the intellectual can be complementary and fundamentally harmonious avenues of knowledge. This periodical strives to explore scholarly perspectives on Latter-day Saint topics. It is committed to seeking truth “by study and also by faith” (D&C 88:18) and recognizes that all knowledge without charity is nothing (1 Cor. 13:2). It proceeds on the premise that faith and reason, revelation and scholarly learning, obedience and creativity are compatible; they are “many members, yet but one body” (1 Cor. 12:20).

Contributions from all fields of learning are invited. BYU Studies strives to publish articles that openly reflect a Latter-day Saint point of view and are obviously relevant to subjects of general interest to Latter-day Saints, while conforming to high scholarly standards. BYU Studies invites poetry and personal essays dealing with the life of the mind, reflections on personal and spiritual responses to academic experiences, intellectual choices, values, responsibilities, and methods. All personal essays received will be entered in our annual personal essay contest. Short studies and notes are also welcomed.

Opinions expressed in BYU Studies are the opinions of contributors. Their views should not necessarily be attributed to The Church of Jesus Christ of Latter-day Saints, Brigham Young University, or BYU Studies editors, staff, or board members.
