Review

In a lap-sized board book, the Chicka Chicka classic strikes again. Chicka Chicka 1 2 3 acts as a counting companion to the classic children’s Chicka Chicka Boom Boom book. Parents and teachers can utilize this vibrant and catchy tool to teach their preschoolers and toddlers how to count and to help them discover the entertainment found in learning new things and revisiting old ones.

Chicka Chicka 1 2 3 takes readers on a counting journey. Each page offers more numbers and new silly pictures or ideas to search for. Whether following along or reading alone, Chicka Chicka 1 2 3 acts as an excellent teaching tool both for home learning as well as school learning. This board book edition allows for even younger audiences to begin learning and recognizing their numbers.
